

## Open cooling towers

## Options and accessories

### Ladder, safety cage and handrail

A ladder, safety cage and handrails are all installed for **easy access to the unit top and easier and safer** inspection and maintenance, in line with **EU safety directives**. Units equipped with these options, have also [distribution basin covers](#).

**Want to extend your cooling tower with these options for easier and safer inspections?**

Contact your [local BAC representative](#) for more information.
